**A message from Principal Jones:**

- This is a general list of supplies to start the school year. Your child's teachers may suggest supplies for their specific courses as the semester progresses. PLEASE only purchase the supplies that your student needs for the first semester.
- We understand that time and resources are needed to secure supplies. With that being said, please communicate to your child's counselor, teacher or administrator if there are any items that may take time to obtain.

**Our community WILL support each student toward an amazing and productive school year!**

~ Michael Jones, Principal
